- Only travel to our holiday parks if you are fit to do so, and advise us if you're becoming unwell
- Adhere to our revised check-in procedures outlined below
- Leave accommodation and the park if you are becoming unwell, and self-isolate at your home off-park
- When on park, respect and adhere to our social distancing and hygiene policies

Hygiene Policy

As well as asking our Owners and Holidaymakers to continue maintaining personal hygiene standards, regularly washing hands and using a disposable tissue to catch any coughs or sneezes, we'll also be implementing a number of enhanced hygiene measures on our parks in order to reduce any risk of contamination.

- Use of disinfectant when cleaning communal areas and accommodation

- Frequent deep cleaning and disinfecting of high footfall areas and surfaces
- Providing gloves and PPE for our housekeeping teams
- Introduction of handwashing and sanitisation stations in public areas and near entrances and exits where possible

Hygiene is a huge priority for us and our parks and staff will be on hand ensuring our superb cleanliness standards are maintained across the park.
